

*Summer FUN in the summer SUN!*

## **Join the Beaver Meadows Swim Team!!!**

Beaver Meadows Golf and Country Club in Phoenix is looking for swimmers Ages 6-18 to be a part of the 4<sup>th</sup> Season for our Club swim team.

***REGISTRATION DEADLINE IS 6/24/2016***

"The summer of 2017 will welcome our 4th year of the Beaver Meadows summer swim team. We compete in the Syracuse Area Swim League with 6 other local country club teams. Each of the past three years the team has grown both in size and heart. Our numbers have steadily increased each year, along with each individual swimmers' performance steadily improving throughout the season, no matter their beginning skill level. The team is comprised of a wide range of ages and abilities; anybody from those who have only ever just played in their backyard pool to those who are in high school and have trained for years.

Practices tend to focus mainly on technique and form. Our goal is for each swimmer to learn and attempt every aspect of competitive swimming including all four competitive strokes, flip turns, starts/diving, and eventually racing in meets. All groups practice together, due to our smaller numbers, but this allows for every kid to interact with one another, learn from one another, teach one another, and (most of all) have fun with one another! While our unofficial motto has become "Small but mighty" we would always love more to join in on our unique team dynamic!"
