

2024 JUNIOR GOLF PROGRAM

BEAVER MEADOWS GOLF CLUB

Our goal is to secure the future generation of Beaver Meadows Members by creating life long golfers through fun and engaging instructional programs for junior golfers.

- Kyle Siegel, PGA Associate

Meet your coach:

Kyle Siegel is a level 2 PGA Associate with a focus on teaching and coaching. He is ADM certified (American Development Model) which gives him a professional understanding on how junior golfers develop both physically and mentally. This allows him to structure practices in a way that is beneficial to junior golfers of all ages and skill levels.

Kyle is very familiar with PGA Junior League and was an All-Star coach in both the 2019 and 2020 seasons after his 13U and 17U teams won their division. His 17U All-Star team won the 2020 Sectional Championship at Turning Stone, with an overall team score of (-8) where each two-person scramble team shot scores of 32, 33 and 32. Working with junior golfers is what Kyle enjoys most about being a PGA Professional, and he is excited for the 2024 season!

Volunteers:

Having the help from parents/guardians is very important to maximize the number of junior golfers in our program. Whether it's assisting with group instruction or helping to keep score during matches, we want to get you involved! Reach out to Kyle or David if you are interested in volunteering in any capacity.

Programs:

Both PGA Jr League and our Summer Camps are open to all members with children or grandchildren ages 8 - 16, as well as guests of members. If your junior golfer is unable to participate in these programs, our Golf Professional Staff offers private junior lessons for a discounted rate of \$25/half hour.

Questions:

If anyone has questions, concerns or suggestions with anything related to junior golf, please reach out to the Golf Professional staff at any time. Junior golfers are the future of Beaver Meadows and we are always open to feedback to make sure our summer programs are well attended!

Our 13U & 17U programs will provide a fun learning environment with weekly practices from June – August. Practices will focus on fundamentals taught by performing drills, playing games and practicing the right way, while having FUN in a team environment. The plan is to have an “in-house league” which allows us to schedule friendly competitions against each other, while having the option to schedule matches with other courses in our area. The in-house league allows us to send more kids to “All-Stars” without being reliant on other courses for scheduling.

Schedule:

Weekly practices will be offered for both age groups on Wednesdays and Sundays from 5:30 pm – 6:30 pm (June – August).

In house 9-hole matches will be scheduled on Sunday evenings from 4:30 pm – 6:30 pm (two per month).

Any player who misses a practice or match will have the option to schedule a private 30-minute lesson to make up for the missed time.
